2006 Weekend Family Camp Dates

July 1 – 2

July 15 – 16

July 29 – 30

August 12 – 13

The Daniel Webster Council offers four fun weekends of family camping at Camp Carpenter in Manchester, NH. The sessions begin on Saturday morning and conclude on Sunday morning with three meals provided in our new dining hall. Cub Scout-age boys may attend

with their mother, father, or the entire family. Weekend Family Camp is a great introduction for Cub Scouts and their parents to see what Camp Carpenter Cub World is all about!

Many of the program areas offered at Cub World Resident Camp will be open for the family to enjoy. Cub Scouts and their families can use the extensive waterfront for swimming, boating and fishing. Test your shooting sports skills at the archery and BB ranges, make a craft, or take a nature hike. Special programs are offered as well, so there's plenty of exciting activities to choose from! And of course, no camping

experience is complete without the spirit-filled campfire that is put on by the staff on Saturday evening.

Accommodations for the weekend include two-person wall tents on platforms with cots. Wash facilities are at each campsite, and shower houses are available.

Registration for Weekend Family Camping is done on a family basis. Complete the form on the next page and return to the Council Service Center with the appropriate fees and a Class 1 Health form for each participant (on page 11).
